

Отчет по заданию с#

Пользовательский интерфейс

The screenshot shows a Windows application window titled 'Form1'. On the left is a large, empty gray rectangular area representing a data grid. On the right, there are two text input fields. The first is labeled 'Номер отдела' (Department Number) and the second is labeled 'Процент повышения' (Percentage Increase). Below these fields is a blue button with the text 'Запрос' (Request).

Ввод данных и выполнение запроса

The screenshot shows the same application window 'Form1' but with data. The gray area on the left now contains a table with 5 columns: 'id', 'name', 'new_salary', and 'old_salary'. The first three rows are populated with data, and the fourth row is a new record being added, indicated by an asterisk in the first column. On the right, the input fields are now filled with the values '1' and '27', and the 'Запрос' button is still present.

	id	name	new_salary	old_salary
▶	12	Петров Валенти...	88900	80000
	15	Абрамов Антон ...	50800	40000
	14	Сильченко Алек...	88900	70000
